

PROTECT AFFORDABLE STUDENT HOUSING

Fresno City College Profile:

Affordable housing empowers Fresno students to pursue and complete college

Affordable housing is pivotal and essential for the success of student parents. Without [housing], it causes unnecessary barriers for us, our children, and our academic journey.

- Sheyna Burns, student parent

This project was funded through the housing program authorizing legislation, Senate Bill 169 (2021). Recognizing the need for new affordable student housing, the governor and legislature established the Higher Education Student Housing Grant Program (HESHG) to provide colleges with grants to build new affordable housing for low-income students.
