

PROTECT AFFORDABLE STUDENT HOUSING

Cabrillo College Profile:

Affordable housing empowers Cabrillo students to pursue and complete college.

As a first-generation teen mother, I knew that having a stable home for me and my children was essential. It's important to have affordable housing to give single parents a chance to succeed and pave the way for future generations.

- Victoria Magallon, student parent

This project was funded through the housing program authorizing legislation, Senate Bill 169 (2021). Recognizing the need for new affordable student housing, the governor and legislature established the Higher Education Student Housing Grant Program (HESHG) to provide colleges with grants to build new affordable housing for low-income students.
