

PROTECT AFFORDABLE STUDENT HOUSING

Napa Valley College Profile:

Affordable housing empowers Napa students to pursue and complete college

For me, being able to access family-friendly student housing is a complete game-changer. It's not merely about finding a place to live; it's about providing a stable and nurturing environment where my family can truly thrive while I focus on my education.

- Krystle Pale, student parent

This project was funded through the housing program authorizing legislation, Senate Bill 169 (2021). Recognizing the need for new affordable student housing, the governor and legislature established the Higher Education Student Housing Grant Program (HESHG) to provide colleges with grants to build new affordable housing for low-income students.
